Re: **EnterprisingUCSB: Social Engineering, Connect Box, Project Updates and More News from Campus IT**

The Winter 2016 issue of EnterprisingUCSB, the quarterly campus IT newsletter for UCSB faculty and staff, is now available. Read about

- Your Security: Understanding Social Engineering
- Cybersecurity Training & Certification for IT Staff
- Connect Box Provides Free, Cloud-Based Storage to the UCSB Community
- Student Financial System Phase 1 Completed
- Preparing for UCPATH
- Delivering New Technology in the Reinvented Library

The newsletter is available on the Office of the CIO website (<http://cio.ucsb.edu/newsletters/2016-winter/>).
